

BE+ BUILDING TECH FORUM

ACCELERATING CHANGE IN THE BUILT ENVIRONMENT

CALL FOR SPONSORS

SHARE YOUR GREEN BUILDING INNOVATIONS AND SUPPORT BE+

Building Tech Forum 2023 is a series of 5-minute lightning talks, sandwiched by networking, where industry leaders present the latest innovations in building technology accelerating the sustainable and regenerative design, construction and operation of the built environment. Learn more at builtenvironmentplus.org/buildingtechforum.

TUESDAY, JUNE 13, 2023 | 5:30-9:30PM
THE FOUNDRY | 101 ROGERS STREET | CAMBRIDGE, MA

WHO WILL BE THERE?

Presenting: 45 cutting edge manufacturers, building product companies, green technology firms, utilities, contractors, building scientists, engineers, designers, and other innovators.

Attending: 200 leading architects, engineers, building owners, operators, contractors, manufacturers, utilities, sustainability consultants, investors, lenders, and more.

HOW & WHY TO ENGAGE

Share your latest & greatest

Show off your game-changing innovations and demonstrate your leadership advancing sustainability of the built environment.

Connect with leaders

Make valuable connections with key decision-makers, leaders, and aspiring leaders in the local green building community.

Learn what's new

Keep your finger on the pulse of a rapidly advancing field of building science and technological innovation.

About Built Environment Plus:

Formerly known as the USGBC MA Chapter, BE+ is a member-based non-profit driving sustainable and regenerative design, construction and operations of the built environment. We do this by providing green building education, building community, engaging in advocacy, research and tool development, celebrating success, and by fostering leadership opportunities for sustainable building practitioners.
