Above is a selection of trainings Built Environment Plus (BE+) offers. Registration links have been provided where available. The upcoming training list will be added to and updated as information is available. For more information and to register for trainings, visit the BE+ website: <https://builtenvironmentplus.org/>

BE+ public trainings are open to participation from anyone, inside or outside of MA (with or without grant funding).

\*If you are a MA-based company, Express Program funding is available to employers with 100 Massachusetts employees or less. The grant application can be found here: <https://commcorp.org/subprogram/wfp-express-program-for-applicants/>
