

# NOTICE OF INTEREST

Thank you for expressing interest in the MassCEC's Embodied Carbon Reduction Challenge administered by Built Environment Plus.

By completing this form you are notifying BE+ that you are interested in the Challenge and permit BE+ to send you information related to the Challenge. Completing this form does not commit you to submitting a project. Completing the project information will help BE+ understand how much interest there is in the competition and also alert us if more than one company is trying to submit a project. Please only submit 1 form per office.

Thanks in advance for expressing interest.

**Award Entry Deadline:** March 31st, 2024, 5:00 PM.
