

# Priority Training List

Updated January 2025

Complete the [BE+ Training Interest Form](#) to let us know which specific training(s) you and/or your firm are interested in. We schedule trainings based on interest from the community. The results of this survey will inform which trainings we schedule and we'll let you know once they are scheduled.

Below is a short list of courses identified as priorities to offer. The training names are listed as they appear in the [BE+ Training Catalog](#). Express Program Course IDs are included for courses currently approved for Express Program grant funding.
