

GREEN BUILDING SHOWCASE

AWARDS PROGRAM & CELEBRATION

2025 CALL FOR SPONSORS

SHARE YOUR GREEN BUILDING INNOVATIONS AND SUPPORT BE+

Every year, the BE+ community gathers to celebrate industry success in greening the built environment. Last year's Green Building Showcase, generously hosted by WS Development at One Boston Wharf Road, was our biggest showcase yet. This year, we're building on that energy and celebrating once again at Amazon's L5 tower in the Seaport, the largest net-zero carbon office building in Boston. The night consists of a cocktail reception in a showcase of project boards, presentations and networking, and is capped with the Awards Program.

2025 BE+ GREEN BUILDING SHOWCASE

Thursday, October 30th, 2025 | 4:00pm – 9:30pm
One Boston Wharf Road
Boston, MA

KEY DEADLINES

Award Submissions: Sep 30, 2025
Display-only Submissions: Oct 10, 2025
Event Sponsorship: Oct 10, 2025

2025 AWARDS PROGRAM

This year's Awards Program will crown one Green Building of the Year, one Change Agent of the Year, and one People's Choice Award, along with 10 Category Leader Awards. The Awards Program will feature two new categories focused on existing buildings – Building Decarb Intervention and Sustainable Whole Building Renovation. All sponsorship levels include tickets to the event and entries in the awards program and showcase. Visit the [Awards Program Page](#) and download the [Call for Entries](#) for more details.

WHO WILL BE THERE?

Over 300 leading architects, engineers, building owners, contractors, developers, operators, manufacturers, utilities, sustainability consultants, investors, lenders, and more – everyone who plays a role in designing, operating, and constructing the built environment.

WHY SPONSOR

Support BE+

Sponsorship provides critical funds for BE+ to accelerate the regenerative design, construction, and operation of the built environment.

Show off your projects

Demonstrate your leadership by showcasing your groundbreaking projects that take the green building sector to the next level.

Celebrate progress

The work we do is hard. Take a moment to step back, relax, and celebrate our collective progress transforming the building industry.

About Built Environment Plus:

Formerly known as the USGBC MA Chapter, BE+ is a member-based non-profit driving sustainable and regenerative design, construction and operations of the built environment. We do this by providing green building education, building community, engaging in advocacy, research and tool development, celebrating success, and by fostering leadership opportunities for sustainable building practitioners.
