🏠 Ready to Join In?!

You can register and join in as an individual or as a group. We encourage people to form teams before signing up so that you already have a means of communicating. We imagine this will be a hit with you and your family, and so the only limit to team size is a maximum of 4 individuals age 18 years or older. There does need to be at least 1 adult 18 years or older in the team.

If you want to help in the success of this event by sponsoring, team entries are included in some of the tiers listed below under Sponsorship Opportunities. Have a group setup that doesn't fit the mold? Contact us and we can approve case by case.

We know that students, at all levels, do appreciate some financial support to join in. So, we are making team scholarships available via the form below . Find some friends and make your case.

General admission is \$25 per person, or you can purchase a Team Ticket for \$100 for 4 adults. Opting for the \$50 Advocate, \$70 Hero, and \$200 Super Team Tickets include a much appreciated donation to Built Environment Plus to keep this community thriving.
